OLÉ WOOD

Contract Concepts™

Visitor Chair 4 Leg Frame

Designed by Ximo Roca. Made in Italy

FEATURES

Winner of a 'Good Design' award, the OLÉ chair boasts an elegant and sophisticated design with a distinctive silhouette that's destined to be the focal point in any room.

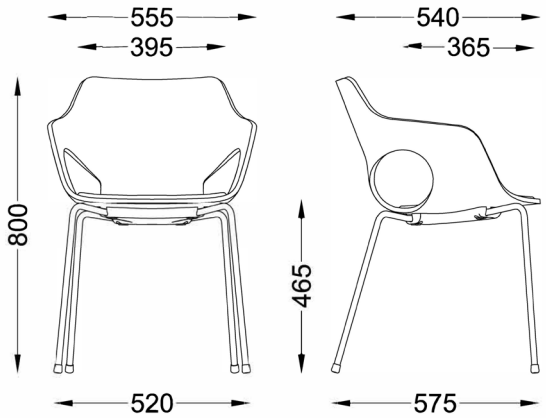

The OLÉ circular profile and side openings are visually striking and create a unique balance of design and functionality. OLÉ 4 leg frame is stackable and available in a range of contemporary shell colours.

The OLÉ is synonymous with comfort and ideally suited to any office, restaurant, conference, break out or student environment.

- One piece FSC plywood shell
