MR JONES

Modular Middle (Custom Order)

Designed by Orlandini Design. Made in Italy

FEATURES

MR JONES is a stylish soft seating system that is designed for comfort and performance. Relax and unwind as MR JONES is light, ergonomic, and its sculptural shape will make an impact in any environment.

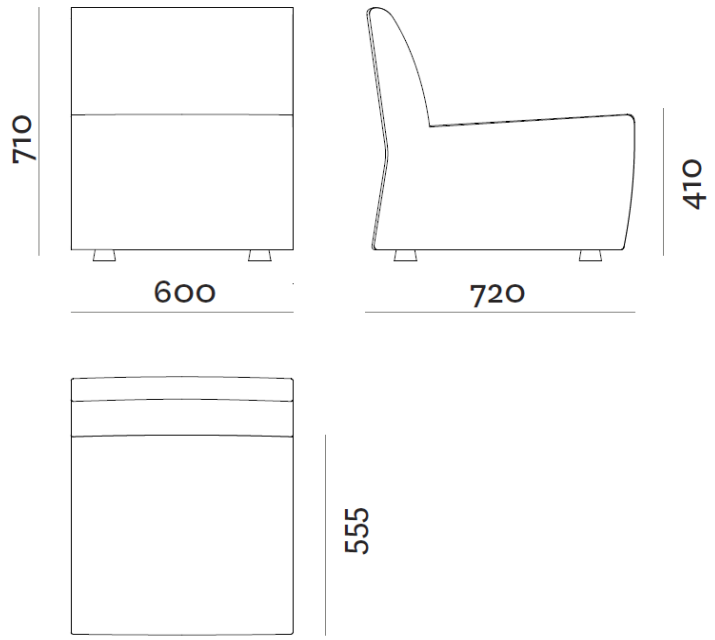

MR JONES can also be adapted to any office situation at any time, quickly and easily. A simple linking mechanism ensures that the modules fit together, allowing MR JONES to form virtually any seating configuration.

The shell is made of high-quality cold injected polyurethane foam*, ensuring unchanging quality and appearance of the product during its entire lifetime.
*Upholstery not included.

- Configure to suit any shape
- Cold-injection moulded polyurethane foam
- Upholster to suit any brief
