SKOOP

High Back Chair Sled Frame

Designed by Graziano Faraon. Made in Italy

FEATURES

This multi-functional range of soft seating is available in a low, medium or high back.

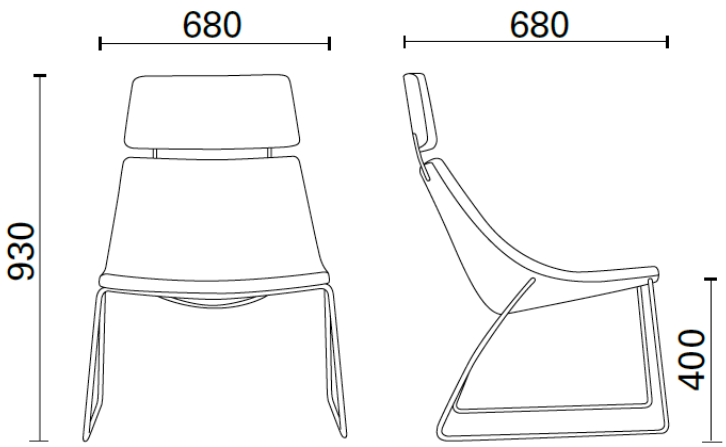

The SKOOP High Back chair will add a touch of style to any informal meeting or breakout space. The light and elegant steel sled base delivers a minimalist aesthetic, while the distinctive curved seat is as comfortable as it looks.

Ideal for office breakout areas, reception and meeting spaces; SKOOP is available in a range of base options including wood, sled, and swivel. SKOOP can be upholstered in single or dual colours.

- Laminated plywood with stainless steel fittings
- Steel rod sled frame
- Neutral anti-rotation glides
