SKOOP

Visitor Chair 4 Leg Timber Frame

Designed by Graziano Faraon. Made in Italy

FEATURES

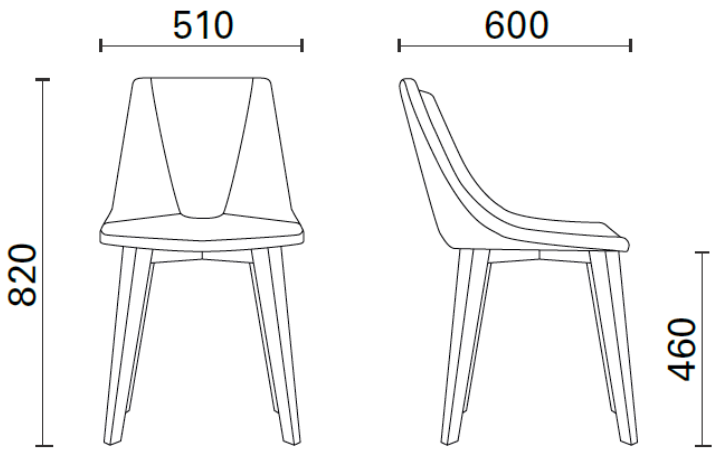

The SKOOP Visitor chair will add a touch of style to any informal meeting or breakout space. The elegant timber 4 leg frame delivers a minimalist aesthetic, while the distinctive curved seat is as comfortable as it looks.

Ideal for office breakout areas, reception and meeting spaces; SKOOP is available in a range of base options including wood, sled, and swivel. SKOOP can be upholstered in single or dual colours.

- Laminated plywood
- Beech timber legs
- All timber FSC certified
- Upholster to suit any brief
