MORK

Visitor Chair 4 Leg Frame (Custom Order)

Designed by Orlandini Design. Made in Italy

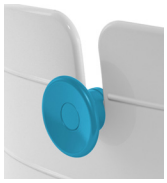

FEATURES

The MORK chair is always at ease in any space, both public and private. His timeless shell is ergonomically designed to gently hug the body and support the back. MORK will impress you with his welcoming nature thanks to a snug fit and a hook button for all your hanging needs.

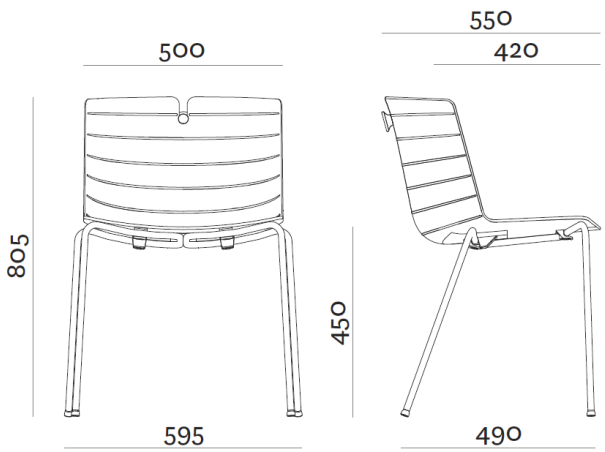

The MORK is synonymous with comfort and an upholstery seat or full panel can be added. Light, compact, stackable and easy to clean, MORK is the perfect multi-purpose chair; from training rooms to meeting rooms.
